– FREDERICK DOUGLASS

THE FIGHT FOR HISTORY HAPPENED THERE.

The **Boston African Meeting House** was not only a historic spiritual and religious center but also a gathering place for education, culture, and politics.

HISTORY WAS MADE THERE.

The Massachusetts General Colored Association, dedicated to ending slavery and discrimination in America, met there. Abolitionists William Lloyd Garrison, Frederick Douglass, and Maria Stewart spoke there. William Lloyd Garrison founded the New England Anti-Slavery Society there. The New England Freedom Association assisted runaway slaves on the Underground Railroad there. The community celebrated the end of the international slave trade there.

One of the first African American Civil War regiments, the Massachusetts 54th Volunteer Regiment, was recruited there.

2024 CONCERT HIGHLIGHTS

The 2024 Nucar Fenway Concert Series Presented by Wasabi Technologies was one for the books with a record-high twelve concerts held at America's Most Beloved Ballpark. Fenway Park first-timers Lana del Rey and Hootie & the Blowfish kicked off the concert season in mid-June. Concerts in July included two shows by New England native Noah Kahan; Kane Brown's second stint on stage in centerfield; a fifth time at Fenway for fan favorites Foo Fighters; and an inaugural Fenway performance by blink-182. Journey and Green Day each returned to Fenway Park for the second time, while Def Leppard rocked Fenway for a third time. The season finished strong with two Pearl Jam concerts in September, marking the band's fifth and sixth appearances at Fenway Park.

THE HEART OF RED SOX NATION

WHO WE ARE

Since 2002, the Red Sox Foundation has been uniquely positioned to leverage the iconic brand of the Boston Red Sox and harness the passion of the greatest fans in baseball to make lasting impact in our communities. Today, we are a model for others to follow as one of the most philanthropic team charities in all of professional sports, strategically using our platform to be a leading source of hope and positivity off the field in our New England and Lee County, Florida communities.

As a 501c3 nonprofit organization, we do all of our own fundraising to sustain our people, programs, core partners, and our giving to make a deep impact in our three focus areas: recreation, education, and health.

The impact we're making in our local communities across recreation, education and health through our people, programs, core partners, and our giving would not be possible without the greatest fans in baseball.

RED SOX

IN THE COMMUNITY

EMPOWERED BY THE COMMITMENT of our players, coaches, alumni, and staff, the Red Sox Community Relations Team is dedicated to enriching the lives of our communities in New England and Southwest Florida. We champion youth development, provide memorable experiences for local hospital patients, honor our military and veterans, and uplift underserved communities through the planning and participation of impactful events and initiatives year-round. Grounded in the spirit of baseball's ability to unify, Red Sox Community Relations convene diverse individuals around shared values and causes that reinforce our mission to be an integral part of the communities we serve.

RED SOX PLAYERS GIVING BACK

Player Captains

In support of the Red Sox Foundation, players annually captain the Jimmy Fund, Home Base, RBI, and Scholars programs. As captains, players regularly participate in community visits and pregame meet-and-greets throughout the year with program participants.

Jimmy Fund captain Garrett Whitlock greets young fans.

◀ Liam Hendriks | Hendriks' Heroes

Building on his longstanding commitment to serving those most in need, Liam Hendriks continues his community work as a member of the Red Sox with his Hendriks' Heroes program. His work has empowered and supported selfless individuals and organizations, and given a voice to underrepresented communities. Following Liam's recent personal cancer journey, he has sought to provide hope and inspiration to others going through similar experiences by inviting them to Red Sox games and personally visiting with them pregame. In 2024, Liam hosted 29 different groups.

Chris Murphy | Active Minds

Red Sox pitcher Chris Murphy donated \$100 for every Red Sox win in 2024 to Active Minds, a nonprofit organization promoting mental health awareness and education for young adults.

▼ Tanner Houck | Pitch for Adoption

Inspired by his adopted sister, Tanner Houck built his Pitch for Adoption campaign to raise adoption advocacy and awareness. Tanner has partnered with the Home for Little Wanderers, the oldest U.S. child welfare agency, and other groups helping to create permanent, positive change for kids and families. As part of this partnership, he visits group homes and welcomes children and staff to Fenway Park each month for a home game, to watch batting practice from the field, meet his teammates, and take a pregame tour of the ballpark.

LINDOS SUEÑOS

Lindos Sueños, which translates to "Beautiful Dreams," strives to bring people of different backgrounds together through the common appeal of baseball and community service in the Dominican Republic.

COMMUNITY HOMESTAND

The Red Sox Community Homestand helps a variety of local nonprofit organizations raise awareness for their cause by offering the opportunity to share their mission with Red Sox fans at various home games throughout the season. Groups distribute collateral about their organization to fans attending the game(s) at Fenway Park.

MOST VALUABLE EDUCATOR

Every Saturday home game, the Red Sox honor local educators who go above and beyond in their field. The program invites New England students to write an essay explaining why a teacher, coach, or mentor should be honored as a Most Valuable Educator.

MEDICAL ALL-STAR

Every Friday home game, the Red Sox and Beth Israel Deaconess Medical Center recognize a Medical All-Star, an outstanding member of our medical community, for their work researching cures and fighting diseases in their field.

TAKE THE LEAD

Launched in 2017, Take the Lead is a collaboration among New England's sports teams to stand up to racism and hate speech, and to provide diverse communities with access and opportunities to careers in sports. Sports mirror society, and the social issues that we face in our communities often arise in our ballparks, stadiums, and arenas.

The Red Sox have decided to take a stand against one of the most difficult challenges — combating racism and hate — in our own homes and in our venues. We hope by setting the standard where we live and play, and looking within our organizations to bring about meaningful change, we will encourage fans to take the lead in their own homes, businesses, and communities.
